## MANAGING CHALLENGING BEHAVIOUR PROTOCOL

Hawks Football Club is based on mutual respect, support, and encouragement to bring out the best in everyone. All Players and Parents of under-18 players will all be provided with information about what we expect as a club and our codes of conduct, as well as information on who they should contact should they have concerns.

### OUR COMMITMENT

- Set High Standards and maintain these for all
- Clearly communicate expectations of behaviour for everyone connected with the club
- Make clear what is considered acceptable practice at the club
- Not tolerate poor practise or unacceptable conduct at the club from anyone.
- Share the club's process for responding to behaviour that is considered unacceptable.

### ADDITIONAL NEEDS

When children are identified as having additional needs or behaviours that are likely to require additional supervision, specialist expertise or support, this should be discussed with their parents/carers and, where appropriate, the child to ensure that an appropriate approach is agreed.

### RESPONDING TO CHALLENGING BEHAVIOUR

The type of behaviour and age of the child will determine the actions used, but we encourage the following:

- Continuing to praise appropriate behaviour of those positively completing the task/activity.
- Offering extra responsibility to a child to help refocus their energy e.g., leading a part of the activity.
- Reasoning with the child, including advising them about the consequences of their actions.
- De-escalating the situation, for example by talking with the child and distracting them
- Using a verbal reprimand (including advice on how to improve) – Yellow Card.
- Implementing a time out from the current activity – Sin Bin
- Implementing a temporary exclusion from the next task/activity – Red Card
- In the event of two players being involved ensure a handshake takes place or any required apology
- Requesting Parents remove the child from the training session in the event of a tantrum - Exclusion

### MISCONDUCT DURING MATCHES

Misconduct during matches may result in County FA disciplinary action. If this occurs, our committee will be informed who will liaise with the County FA Designated Safeguarding Officer regarding support at disciplinary hearings. If misconduct occurs during the game or there is a risk of it due to the behaviour and demeanour of the child, the following should take place:

- An immediate substitution and time out.
- Check on the player to ensure they in the correct frame of mind before allowing them play again.

### PHYSICAL INTERVENTION

It is important that club officials understand this to protect the child, their own position, and the reputation of our club. Physical contact to prevent something happening should always be the result of conscious decision-making and not a reaction. Physical intervention should be avoided unless necessary to prevent

- a child injuring themselves or others,
- causing serious damage to property, or
- when working with children with an impairment that necessitates such intervention.

## Safeguarding Children Policy (Youth Teams)

### 1. OUR RESPONSIBILITIES

As an England Football Accredited Club, Hawks Football Club acknowledges our responsibility to safeguard the welfare of every child and young person and are committed to providing a safe environment for all. We recognise that a child is anyone under the age of 18 and subscribe to The Football Association's (The FA) Safeguarding Children Policy and Procedures.

*In addition to adopting the Football Associations Policy the club also has its own Anti-Bullying Policy and Safe Recruitment of Volunteers Policy.*

Our Football Club endorses and adopts the following key safeguarding principles:

1. the child's welfare is, and must always be, the paramount consideration.
2. all children and young people have a right to be protected from abuse regardless of their, age, gender, gender reassignment, sexual orientation, marital status or civil partnership, race, nationality, ethnic origin, colour, religion or belief, ability or disability, pregnancy, and maternity.
3. all suspicions and allegations of abuse will be taken seriously and responded to swiftly and appropriately; and
4. working in partnership with other organisations, children and young people and their parents/ carers is essential.

Hawks Football Club acknowledges that every child or young person who plays or participates in football must be able to take part in an enjoyable and safe environment and be protected from poor practice, inappropriate behaviour, and abuse.

This is the responsibility of every adult involved in our club, including the parents/carers of our players and we will effectively communicate this to our members throughout the season. Hawks Football Club commits to ensuring that children and young people have the right to take part, be heard and have their views and opinions taken into consideration when making club decisions and actions that concern them.

### 2. OUR ROLE

Hawks Football Club has a responsibility to safeguard the welfare of all children and young people by protecting them from physical, sexual, or emotional harm and from neglect or bullying. It is noted and accepted that The FA's Safeguarding Children Regulations (see The FA Handbook) apply to everyone in football whether in a paid or voluntary capacity, including coaches/managers, volunteers, match officials, helpers on club tours, or medical staff or other club officials/helpers.

### 3. SAFER RECRUITMENT

We endorse and adopt The FA's Safer Recruitment guidelines and where an individual is going to take on a specific role for the club we will:

1. Specify what the role is and what tasks it involves
2. Request identification documents
3. As a minimum meet and chat with the applicant(s) and where possible interview people before appointing them
4. Ask for and follow up with 2 references before appointing someone
5. Where eligible require an FA-accepted DBS enhanced with barred list Check, in line with The FA's current Safeguarding Children Policy and Regulations. Everyone working in eligible roles with children and young people, such as coaches/managers, first aiders and physiotherapists, are required to hold an in-date FA-accepted DBS enhanced with barred list Check as part of safer recruitment practice and we commit to managing this consistently with individuals in current roles and those new to role.

If there are concerns regarding the appropriateness of an individual who is already involved or who has approached us to become part of Football Club, guidance will always be sought from the County Football Association (CFA) Designated Safeguarding Officer (DSO).

It is accepted that The FA aims to prevent people with a history of relevant and significant offending from having contact with children or young people and the opportunity to influence policies or practice with children or young people. This is to prevent direct sexual or physical harm to children and to minimise the risk of football being used in the grooming of children.

#### **4. OUR CLUB WELFARE OFFICER**

Hawks Football Club has appointed a Club Welfare Officer (Youth Teams) (“CWO”) in line with The FA’s role profile who has completed the Safeguarding Children and Welfare Officer Courses. We commit to supporting the post holder to be involved with ongoing Welfare Officer training provided by The FA and/or CFA. Our CWO is the first point of contact for all parents/ carers and club officials regarding concerns about the welfare of any child or young person.

The role of the CWO and their contact information is widely communicated throughout the club. The CWO will liaise directly with the CFA DSO and will be familiar with the procedures for referring any concerns. The CWO will also play a proactive role in increasing awareness of respect, acceptable behaviours, how to deal with low-level concerns and how to report abuse.

We recognise the need for proportionality in appointing individuals to the role of CWO (Youth Teams) and where appropriate Assistant CWO (Youth Teams) to ensure visibility for our membership.

Where needed, we will appoint Assistant Club Welfare Officers (Youth Teams) to support the club and CWO to bring this policy to life and to drive safer working practice and a proactive culture as is necessary.

#### **5. BULLYING**

We acknowledge and endorse The FA’s identification of bullying as a category of abuse. Bullying of any kind is not acceptable at our club.

#### **6. ACCEPTABLE BEHAVIOUR WHEN WORKING WITH YOUNG PEOPLE**

Everyone who works or volunteers with children is responsible and accountable for the way in which they behave around and towards them. Every child has a right to be treated with respect and dignity. We always require adults within our club to exhibit acceptable behaviour.

We adopt The FA’s ‘Acceptable Behaviours guidance (5.7)’. Codes of conduct for Players, Parents/Spectators, Officials and Coaches have been implemented by our Club.

The club has clear actions it will take regarding breaches of the codes, repeated or serious misconduct at club level and acknowledges the possibility of potential sanctions which may be implemented by the CFA in more serious circumstances.

## 7. REPORTING CONCERNS

In this Club, safeguarding is everyone's responsibility, and we know that inaction is not an option. If anyone is worried about a child, they must report their concerns to our CWO (Youth Teams).

Our CWO will manage low-level concerns and where necessary seek advice from the CFA DSO.

1. Our CWO will make referrals about more serious concerns to the CFA DSO, or in an emergency contact the Police or Children's Social Care. We will ensure that if the child needs immediate medical treatment that we take them to a hospital or call an ambulance and tell them it is a child protection concern.
2. Our CWO will keep records of the actions taken and keep the CFA DSO informed. If at any time our CWO is not available, or the matter is clearly serious, all our members must be aware that they can:
3. Contact the CFA DSO directly
4. Contact The FA's Safeguarding Team via [Safeguarding@TheFA.com](mailto:Safeguarding@TheFA.com);
5. Contact the Police or Children's Social Care; and/or • Call the NSPCC Helpline (Monday to Friday 8am-10pm or 9am-6pm at the weekends) for advice on 0808 800 5000 or text 88858 or email [help@nspcc.org.uk](mailto:help@nspcc.org.uk).

*In addition:*

- *The Club will work co-operatively with the County FA on any compliance visits they make to the club*
- *The Club will contact the County FA for guidance in the event of a conflict of interest linked to a concern raised about coaches or club staff.*
- *The Club will maintain a low-level concern log sheet to record warning flags against parents, coaches or officials which shall be reviewed on an ongoing basis to check if any matter needs escalating.*

## 8. WHISTLEBLOWING

Hawks Football Club supports The FA's Whistle Blowing policy (as described in this paragraph) which requires any adult or young person with concerns about an adult in a position of trust within football to 'whistle blow' by contacting The FA Safeguarding Team by writing to The FA Case Manager at The Football Association, Wembley Stadium, PO Box 1966, London SW1P 9EQ, by emailing [Safeguarding@TheFA.com](mailto:Safeguarding@TheFA.com) or alternatively by going direct to the Police, Children's Social Care or the NSPCC. We encourage everyone to know about The FA's WhistleBlowing Policy and to use it when necessary.

We commit to proactively sharing our policy, procedures and CWO contact details with our members.

## Safe Recruitment of Volunteers Policy

### Overview

The intentions of most people who work with children and young people in football are good. However, Hawks FC & the FA recognises its responsibilities to safeguard the welfare of all children and young people participating in football by providing a safe and enjoyable environment.

Sound recruitment and selection procedures will help to screen out those who are not suitable.

By adopting the points outlined in these guidelines, we will be putting in place the best possible practice to protect children and young people whenever a volunteer is sought to work with them.

We will take all reasonable steps must be taken to ensure unsuitable people are prevented from working with children and young people. In addition, our volunteer selection processes must be always consistent and fair.

We endorse and adopt The FA's Safer Recruitment guidelines and where an individual is going to take on a specific role for the club we will:

1. Specify what the role is and what tasks it involves
2. Request identification documents
3. As a minimum meet and chat with the applicant(s) and where possible interview people before appointing them
4. Ask for and follow up with 2 references before appointing someone
5. Where eligible require an FA-accepted DBS enhanced with barred list Check, in line with The FA's current Safeguarding Children Policy and Regulations. Everyone working in eligible roles with children and young people, such as coaches/managers, first aiders and physiotherapists, are required to hold an in-date FA-accepted DBS enhanced with barred list Check as part of safer recruitment practice and we commit to managing this consistently with individuals in current roles and those new to role.

If there are concerns regarding the appropriateness of an individual who is already involved or who has approached us to become part of Football Club, guidance will always be sought from the County Football Association (CFA) Designated Safeguarding Officer (DSO).

It is accepted that The FA aims to prevent people with a history of relevant and significant offending from having contact with children or young people and the opportunity to influence policies or practice with children or young people. This is to prevent direct sexual or physical harm to children and to minimise the risk of football being used in the grooming of children.

Our Recruitment Process has 8 steps

### 1. Planning:

The first stage of any recruitment process involves planning. Hawks FC will decide upon the skills and experience that an individual would need to fulfil the requirements of the role. We will treat every applicant in a fair and consistent manner.

### 2. Advertising

In order to attract new volunteers it may be necessary to advertise outside the club itself, for example - utilising the club website, newsletter / e-zine, social media (e.g. Twitter, club Facebook page), sports hall notice board, local school, may also be beneficial. The advertisement should reflect our Safeguarding Children Policy and it should contain the skills and experience required and the duties to be undertaken. However, it should not discriminate in terms of age, race gender or disability.

### **3. Application:**

We will use an online application form to collect information on each applicant. Each applicant's information is then collected in a consistent way. At least two Committee officials should work together to consider all the application forms to ensure that they are scrutinised fairly and equitably. We will ask for identification documents to confirm the identity of the applicant and any relevant qualifications.

### **4. Meeting / Interview:**

We will meet with everyone who has applied for the post or offered to volunteer before any decisions about taking them on are made. More than one official should be present. The meeting/interview will enable us to explore further the information provided in the application form. The questions to be asked should be prepared in advance and should provide the applicant with the opportunity to recount previous experiences and give examples of how they have or would handle situations. Whilst it is important to gain information about an applicant's technical abilities, it is also necessary to explore their attitudes and commitment to child welfare.

### **5. References**

At least two references should be requested from individuals who are not related to the applicant. One reference should be associated with the applicant's place of work or a former club and, if possible, one that demonstrates that the individual has been involved in sport, particularly children's football, previously. References should be followed up; ideally before they begin to work at the club or league. If you decide to let them volunteer before taking up the role then they must not be left alone with children or young people at any time. If any references raise any concerns, we will contact The FA Safeguarding Children Department for advice and guidance.

### **6. Criminal Record Checks (CRCs)**

CRC's are another tool in the recruitment procedure. A Disclosure and Barring Service Enhanced Check with or without Barred List, tells us about a person's recorded offences. It can indicate that a person is not a suitable person to work with children – for example: if they have a history of sexual offending. It may also tell The FA that further investigations are required – for example: if the person has a history of drug dealing or racist offending. Volunteers and others in football should be assured that Hawks FC and The FA will take into account the Rehabilitation of Offenders Act (ROA), 1974 and only consider offences which we are entitled to in relation to the ROA Exceptions Order, 1975. Applications for CRCs should be dealt with by the Club Welfare Officer & General Secretary. If an applicant claims to have a DBS Enhanced check, the club should seek advice from The FA CRB or check the Online Safeguarding Service via Member Services.

### **7. Recruitment Decisions:**

We will consider all the information we receive via the application form, confirmation of identity, the outcome of the take-up of references and whether the person is accepted by The FA following their Criminal Records Check. This information should then be considered alongside the outcome of the meeting/interview to make an informed decision as to whether or not to accept them into the club.

### **8. In Post:**

## Anti-Bullying Protection Policy

### Statement of intent

Hawks FC is committed to providing a caring, friendly and safe environment for all of our members, so they can participate in football and other activities we support, in a relaxed and secure atmosphere this includes cyber-bullying of any player or member.

*Bullying of any kind is unacceptable.* If bullying does occur, members and/or parents should immediately report it to the Committee's Welfare Officer or any other member of the Club's Committee. Incidents will be investigated by the Senior Management Committee and be dealt with promptly and effectively. A warning notice will be issued to the person in question with the requirement that the practice stops. Sanctions may also be imposed as appropriate. In extreme cases, the Clubs will permanently suspend the member in question from the club.

We are a TELLING organisation. This means that anyone who knows that bullying is happening is expected to tell the Welfare Officer or any Committee member and provide any evidence requested.

### What is bullying?

There is no legal definition of bullying. However, it's usually defined as behaviour that is:

- Repeated
- Intended to hurt someone either physically or emotionally
- Often aimed at certain groups, for example because of race, religion, gender, or sexual orientation

Bullying can be:

- Emotional - being unfriendly, causing emotionally harm and physical harm, cyber-bullying, sending hurtful online messages, tormenting, (e.g., hiding football boots/shin guards, threatening gestures)
- Physical pushing, kicking, hitting, punching or any use of violence
- Racist - racial taunts, graffiti, gestures
- Sexual - unwanted physical contact or sexually abusive comments
- Homophobic - because of, or focussing on the issue of sexuality
- Verbal - name-calling, sarcasm, spreading rumours, teasing.

### Why is it important to respond to bullying?

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Individuals who are bullying need to learn different ways of behaving. The impact upon a child or young person can be devastating and, in some cases, affect all aspects of their life; in extreme circumstances it can lead to suicide threats or even attempts. We have a responsibility to respond promptly and effectively to issues of bullying.

### Objectives of this policy

- Members, coaches, officials, and parents/guardians should understand what bullying is
- Members, officials, and coaching staff should know what the policy is on bullying, and follow it when bullying is reported
- All players and parents/guardians should know what the policy is on bullying, and what they should do if bullying arises
- We take bullying seriously. Players and parents/guardians should be assured that they would be supported when bullying is reported
- Bullying of whatever type will not be tolerated.

## Signs and indicators

A child may indicate by signs or behaviour that he or she is being bullied. Adults should be aware of these possible signs and that they should investigate if a child:

- says he or she is being bullied
- is unwilling to go to match / training sessions
- becomes withdrawn anxious, or lacking in confidence
- feels ill before training sessions
- comes home with clothes torn or training equipment damaged
- has possessions go 'missing'
- asks for money or starts stealing money (to pay the bully)
- has unexplained cuts or bruises
- is frightened to say what's wrong
- gives improbable excuses for any of the above.
- In more extreme cases:
- starts stammering
- cries themselves to sleep at night or has nightmares
- becomes aggressive, disruptive, or unreasonable
- is bullying other children or siblings
- stops eating
- attempts or threatens suicide or runs away.

These signs and behaviours may indicate other problems, but bullying should be considered a possibility and should be investigated.

## Reporting Procedures

1. Report bullying incidents to the Welfare Officer or a member of the Club's Committee or contact the CFA CPO
2. Welfare Office completes an Incident Reporting Form which is held in the Club records
3. Evidence should be gathered including any online comments, interviews
4. In cases of serious bullying, the incidents will be referred to the CFA CPO for advice and possibly to The FA Case Management System under the Safeguarding Policy
5. Parents should be informed and will be asked to come to a meeting to discuss the problem
6. If necessary and appropriate, the Police will be consulted

## Recommended action

If Hawks FC decides it is appropriate to deal with the situation and Bullying may have taken place, we will follow the procedure outlined below.

- Raise an incident Report and attempting to establish the facts which may involve Witness interviews.
- Advise Parents of all parties about the incident and keep them updated of any actions.
- The bullying behaviour or threats of bullying must be investigated, and the bullying stopped quickly
- Consider reconciliation by getting the parties together. It may be that a genuine apology solves the problem.
- If this fails/is not appropriate, a small panel (made up from the Chairman, Child Welfare Officer and member of the Senior Management Committee) should meet with the parent/guardian and child alleging bullying, to get details of the allegation. Minutes should be taken for clarity, which should be agreed by all as a true account.
- The same three members should meet with the alleged bully and parents/guardians and put the incident raised to them to answer and give their view of the allegation. Minutes should again be taken and agreed by all as a true account.
- If after the meetings it is concluded bullying has in their view taken place, the individual should be warned and put on notice of further action i.e. temporary or permanent suspension if the bullying continues. Consideration should be given as to whether a reconciliation meeting between parties is appropriate at this time.
- In some cases, the parent/guardian of the bully or bullied player can be asked to attend training sessions, if they are able to do so, and if appropriate.
- The Committee should monitor the situation for a given period to ensure the bullying is not being repeated.

- All coaches involved with both individuals should be made aware of the concerns and outcome of the process i.e. the warning.
- An attempt will be made to help the bully (bullies) change their behaviour
- If mediation fails and the bullying are seen to continue, we will initiate disciplinary action under the constitution, Policies and Codes of Conduct

In the case of adults reported to be bullying anyone within the club under 18

- The CFA CPO should always be informed and will advise on action to be taken where appropriate.
- It is anticipated that in most cases where the allegation is made regarding a team manager, official or coach, The FA's Child Protection and Best Practice awareness training may be recommended.
- More serious cases may be referred to the Police and/or Social Services.

## Photography Policy & Guidelines

Hawks FC follows the FA Respect Guidelines “Celebrating Football Through Photographs & Video” Policy.

The FA has developed this guidance to help avoid the following potential Risks:

- The inappropriate use, adaptation or copying of images for use on child abuse websites on the internet (often incorrectly referred to as pornography sites)
- The identification of children when a photograph is accompanied by significant personal information that will assist a third party in identifying the child. This can lead, and has led, to children being ‘groomed’
- The identification and locating of children in inappropriate circumstances which include:
  - (i) where a child has been removed from his/her family for their own safety.
  - (ii) where restrictions on contact with one parent following a parental separation exist e.g. in domestic violence cases.
  - (iii) in situations where a child may be a witness in criminal proceedings; or
  - (iv) other safeguarding children concerns.

It is important to remember most images taken are appropriate and taken in good faith. If we take the following simple measures, we can help to ensure the safety of children in football. Filming as a coaching aid The FA advises that coaches using videoing as a legitimate coaching aid should make parents/carers and players aware that this will be part of the coaching programme. Care should be taken when storing the videos.

Common sense considerations to ensure everyone’s safety

### Do:

1. share The FA’s guidance on taking images with all parents, carers, and members when they join the club.
2. ensure the club has parental consent to use a player’s image if it is to be used in the public domain e.g., club website or newspaper article. This is essential in relation to point 3 below
3. ensure that any child in your club who is under care proceedings, is protected by ensuring that their image is not placed in the public domain. This can be done by using a Consent Form, so that parents/carers can identify whether this applies to children in their care
4. focus on the activity rather than the individual
5. ensure all those featured are appropriately dressed (a minimum of vest or shirt and shorts)
6. aim to take pictures which represent the broad range of youngsters participating safely in football e.g. boys and girls, disabled people, ethnic minority communities.

### Do not:

1. publish photographs with the full name(s) of the individual(s) featured unless you have written consent to do so, and you have informed the parents as to how the image will be used
2. use player profiles with pictures and detailed personal information on websites
3. use an image for something other than that which it was initially agreed, e.g., published in local press when initially produced for a clubhouse commemorative picture
4. allow images to be recorded in changing rooms, showers, or toilets – this includes the use of mobile phones that record images.

## Remember

- It is not an offence to take appropriate photographs in a public place even if asked not to do so
- No one has the right to decide who can and cannot take images on public land
- If you have serious concerns about a possible child protection issue relating to the recording of images, then call the Police. This action should only be taken where you believe that someone may be acting unlawfully or putting a child at risk
- The land or facility owner can decide whether photography and or videoing at football activities will be permitted when carried out on private land. However, you need to make this known before allowing individuals access to the private property. If they do not comply then you may request that they leave
- Try not to use images that include individuals wearing jewellery (as wearing jewellery whilst playing is contrary to the Laws of the Game as well as being a health and safety issue).

When commissioning professional photographers and the local media If you are commissioning professional photographers or inviting the press to cover a football activity, ensure you and they are clear about each other's expectations. The key is to plan and communicate early on.

- Provide a clear brief about what is considered appropriate in terms of content and behaviour
- Inform them of your club's commitment to safeguarding children and young people. Establish who will hold the recorded images and what they intend to do with them, e.g., place on a website for sale, distribute thumb nails to the club to co-ordinate sales
- Issue the professional photographer with identification, which must always be worn
- Inform participants and parents or carers prior to the event that a professional photographer will be in attendance and ensure you have established that no under 18s will be compromised due to safeguarding children concerns if their image is taken – remember this can be done by using a Consent Form at the start of the season.

## 18. Summary

Hawks FC and our Football administrators need to ensure that they protect the data they process as required by the Data Protection Act, 1998. Any data breach will be dealt with under the Clubs policies and procedures.

'Processing' under the Act includes obtaining, recording, or holding data or carrying out any operation or set of operations on the data including disclosure, consultation, alteration, and destruction of data. Processing therefore covers a wide range of activities such as sending an email, looking at data on a screen mobile device or opening and reading a paper file. The Data Protection Act applies to all individuals within the Club. It protects individuals from personal data being used inappropriately or recorded inaccurately and it provides everyone with a framework to achieve good standards for handling information.

On request, individuals can ensure that the content of information about them is correct and the purpose for which the information will be used is clear. Representatives within the Club who control information on computer, in paper files, on mobile devices, video or in other media will ensure that the information is processed fairly, is accurate and secure, and is used for a specific purpose.

We hold our membership records electronically on our Team App and encourage all members to ensure these are kept up to date and renewed annually by electronic signature.

SMS messages should be short and about club/team matters only.

Email communication will be used when more information is required

Communication via SMS involving children will be directed through their parents and no club member should directly text a minor.

Communications must not bring the club into disrepute or lead to a breakdown of trust.

## Non-compliance

Members (including players, linked parents, and officials) may face disciplinary action for sending inappropriate electronic communication about the club, its officials or members or posting online content that breach our code of conduct, this communications policy or other associated club rules. Our Policies and procedures are outlined in our club handbook.
